### If your child has a food allergy that requires an Epipen, please read and sign below:

If your child has a peanut/tree nut allergy, their classroom will be nut free. If your child has an Epipen on file with us, the staff will not be allowed to give them any food that was not sent in from home. This includes: birthday treats from classmates, holiday parties, letter of the week celebrations, etc. Parents may leave special snacks to be substituted if the class is having something special. Lunch Bunch is not peanut-free. However, if your child has severe food allergies, accommodations can usually be made to make it safe for your child to stay with us. Please feel free to discuss your concerns with the office staff. I have read and agree with St. Luke's Preschool's policy regarding allergies:
